## LOCAL TRAFFIC UPDATES AND ROAD CONSTRUCTION INFORMATION

Emergency road closures or traffic diversions due to accidents, road construction and poor weather create major inconveniences for commuters.

Sign up at [driveless.com](http://driveless.com) to receive emergency traffic alerts on NJ state roads via email for disbursement to employees and patrons. We tell you where the problem area is, enabling the use of alternate routes.

## TRAFFIC CONNECTION TEXT ALERTS

A dynamic electronic service that provides registered users with up-to-the-minute accident alerts and announcements to help in avoiding traffic congestion and delays in the southern New Jersey area.

### SMS (simple messaging service)

This free service delivers plain text alerts (with no attachments), to mobile electronic devices such as: cell phones, PDAs, Blackberrys and other, e-mail enabled mobile devices.

(Service charges may apply, depending on carrier and plan.)

In addition, [driveless.com](http://driveless.com) offers updated traffic reports and enables users to view live traffic cameras online.
