7. Report on area meetings/training/events.

The Upper Deerfield seminar was attended by Kevin Garrison. Kevin said the presentation was very interesting and talked about silting and erosion. Many programs are available and you need to know where to look and who to talk to. There are many programs that can help farmers and cover much of the cost. Best irrigation is drip irrigation.

8. New Business

Holiday and winter activities – possible guest speaker such as Mark Dimetroff  
Bob Morse resigned from the EC. Trish is moving up to become a regular member and Chic Jansky will be our new alternate member.

We need to recruit members. We can get info in the Township newsletter and possible pass out new type light bulbs at the recycle center.

9. Upcoming events/meetings/training: None through the holidays.

10. Issues before the Planning Board

Tom said that the Planning Board was reviewing the Cul-de-sac ordinances regarding being discussed such the as size of the turnaround. Several changes with fences, buffers should be discussed. The livestock ordinance is coming up for review.

There is no word on when Lee Transport will come up again. Sally Birdsall's letter was very good. Kevin said we needed to ensure there were monitoring wells. There are many more trucks there now then when the variance was first granted in 1993. There appear to be many issues that need to be addressed. Trish Jankauskas moved that we send a letter to the PB and Kevin Garrison seconded the motion. All approved. The letter should ask for a line verification by the DEP. Pilesgrove Partners is planning a development on Centerton Road just south of Holly Woods.
