The Most Certified Shredding Company In The Industry

PROSHRED® is one of the most experienced on-site document destruction companies in the world, the first true on-site paper shredding company, and a continued leader and pioneer in the industry. PROSHRED® is also the first of all mobile shredding companies to meet the rigorous standards of the International Organization for Standardization and earn ISO 9001 certification. We are also the only shredding company in the industry to hold both NAID AAA Certification and ISO 9001 together
